Read the story and answer the questions.

When Patty woke up this morning, there was not a cloud in the sky. The sun was shining and the weather was nice and warm. Patty called her friend Jackie. "Let's have a picnic!" she said to Jackie. Jackie got on her bike and rode to Patty's house right away. The girls packed some sandwiches and juice for lunch. They found a big blanket that they could use to sit on. Jackie and Patty put all of their things into a large basket. The girls were ready to go. All of a sudden, Jackie heard a noise. It was thunder. She looked out of the window. The sky had turned dark and it began to rain. "Oh, well," said Patty, "we can have our picnic inside." They spread out the big blanket on the living room floor. The girls laughed all day about their strange picnic. When Jackie was leaving, she told Patty that she wanted to have another inside picnic next week. Patty said that was a good idea.

- A good title for this story would be:
 - Grab an Umbrella for Me!
 - The Rotten Day
 - Our Rainy Day Picnic
- What was the weather like when Patty woke up?

- What were the girls bringing on the picnic?

- What happened when Patty and Jackie were ready to leave?

- What did the girls decide to do when it began to rain?

- Was the picnic ruined? Why or why not?
